

Life In Motion Institute
Helping People Achieve Their Full Potential

Website Extreme Makeover Contest

We are looking for a few good clients in great need of improving their current website!

The Life In Motion Institute is expanding its services and now is offering web design. We will like to start with a special event titled "Website Extreme Makeover."

- We will provide our website re-design services to the top three non-for-profit organizations that submit a request explaining why they deserve this complementary service.
- The only requirement to participate is that the organization is a registered non-for-profit organization located in the State of Florida and that the organization has an operational website for more than twelve months. The redesign does not include stores or pages selling products or services.

The application deadline is Friday, May 15, 2009.

The winners will be notified by May 22, 2009.
